[EPA Regional Haze Comments final 7 12 12\[1\].pdf](#)

Hi Don:

We based that statement on the attached document PacifiCorp submitted that is included in the docket. Please let me know if you have any questions.

Subject: PacifiCorp installation schedule?

Laurel & Aaron,

The WY RH FIP notice includes the following statement:

In addition, the company asserts that it has designed the installation schedule in order to minimize the number of units that are out of service system wide for installation of emissions controls at any one time.

Could someone tell me where to go--to find this schedule?
